Waverley Borough Council,  
The Burys,  
Godalming. BY EMAIL

Dear Sirs,

32A Kings Road, Haslemere.

2017/0209

The Haslemere Society is mindful of the Inspector's numerous conditions applied to the successful Appeal of application 2012/1971 and would request that WBC ensures that all these are met in this new application.

Having perused the large number of submitted documents we have not found any indication of the location of refuse and recycling bins and would strongly urge WBC to agree a location that is practical for the residents and not prominent or visible from Kings Road and thus not adversely affecting the character and amenity of local residents.

Yours faithfully,

John Greer (Vice Chairman, The Haslemere Society)
