

The Planning Officer
Waverley Borough Council
BY EMAIL

4 October 2024

Dear Sir

East Keffolds (WA/2024/01769) - Objection

The Haslemere Society wishes to object to this application on the following grounds:

1. The garden wall attached to the side elevation of the listed building forms part of the original building as seen on page 15 of the DAS. The wall and openings should be retained. The wall could be incorporated into a link corridor from the main house to a new wing or form one elevation of a new extension.
2. The design of the proposed extension is generic and does not respond to the character of the listed building, where pitched roofs are one of the defining elements.
3. Internally, there have been some minor changes to the original plan form over time, but the original plan form of the service rooms remains legible. The proposed scheme would almost entirely erase any remaining evidence of the service room plan form.

Yours Sincerely

S. Dullaway (by email)
(on behalf of The Haslemere Society Planning Group)
