Planning Dept.,
Waverley Borough Council,
The Burys,
Godalming. By email

Dear Sirs,

Planning Applications 2015/1701 & 1702
M&S Haslemere.

The Haslemere Society welcomes the proposed conversion of this retail store into an M & S Foodhall and supports the three current applications.

Application 2015/1701

We recognise the requirement to resign the store and increase its visibility and view these proposals as acceptable.

Application 2015/1702

Whilst we do not necessarily endorse the reported silvicultural observations regarding the trees we welcome the comprehensive tree assessment and ongoing management plan. We would suggest that the site would be further enhanced by allowing the young beech trees on the NW corner to be coppiced to allow the regrowth at that point to form a low hedge.

We will respond to application 2015/1721 separately.

Yours faithfully,

John Greer (Vice Chairman, The Haslemere Society)
