6th April 2023

Dear Sir

Sturt Farm WA/2023/00589 - **Objection**

The Haslemere Society wishes to object to the above application on the following grounds:

1. The application fails to address the issues raised by the Planning Officers in relation to WA/2022/00281 where that application and this one is in conflict and detracts from the character and value of the AGLV by pursuing a cramped and poorly planned development.
2. The development is contrary to the now adopted Haslemere Neighbourhood Plan and will exacerbate the already anticipated unacceptable increases in traffic, noise, pollution and place even greater strain on the power and sewerage systems which are accepted to be at maximum strain already.

Yours Sincerely

C L R Boobyer
(on behalf of The Haslemere Society Planning Group)
